Name: _____

Class: 4/ ____

I. Reading Comprehension

Read the passage then answer the questions:

Rashid's favourite hobby is collecting stamps. He started to collect stamps when he was seven years old. He has a collection of two hundred different stamps from all over the world. Many of Rashid's family members and friends gave him stamps for gifts. Rashid's mother gave **him** three stamps from Italy after a trip there. They are the first stamps he got. His favourite stamp is from China. It's very old.
